## All are Welcome!

The USDA Summer Food Service Program provides free healthy meals to kids and teens in low income areas when school is out. The program is federally funded and state administered. Kno-Ho-Co Ashland Community Action Commission is partnering with the Coshocton County Department of Job and Family Services Summer Youth Employment Program (WIOA) to provide these meals. Additional community partners are welcome to attend and provide activities for children after the meal services at any of the locations. Questions? Call 330-377-4567
