

## Art II

### Blizzard Bag 1

All motor vehicles owned by Ohio residents and operated on public roads are required to display license plates issued by the Ohio Bureau of Motor Vehicles (BMV). Most vehicles will have 2 license plates. Some vehicles, such as motorcycles and mopeds, only need 1 license plate. Many states, including Ohio, offer a selection of special license plates as well as personalized plates.

#### Assignment:

Design a new license plate that reflects your personal interests, beliefs or hobbies. Your drawing must fill the paper and the paper must be at least 8 ½" x 11". Make sure you include OHIO and ID numbers/letters on the plate. This needs to be completed in color. Examples of current designs:
