

Blizzard Bag #1

ALL Classes will complete this reflection on **Art and Heritage**.

If you have any questions email Mr. Miller john.miller@coshoctoncityschools.com

Browse the [Google Arts and Culture site](#) and select a story that appeals to you. (This link provides all the Heritage results)

Read the story and complete the following responses. Create a **google doc** that has a hyperlink to the story you chose, and complete a **minimum of a two paragraph response** to the following prompts. This assignment focuses on **Heritage and Culture**, so make sure you select a story that has a clear sense of that.

Explain how the work of art reflects the heritages, tradition, attitudes and beliefs of the artist. **Heritage** is the inherited traditions, things or culture from the past that are important. It can be an artifact, belief or tradition that is passed down through one's ancestors or family. An example of heritage could be a favorite recipe passed down from grandparents. Artwork often uses ideas or concepts from their past in a new way.

Describe how has the artist used or interpreted their heritage in their work.

How have they used [Elements of Art](#) and Principles of Design ?

Standards

A 11-2. Analyze a work of art and explain how it reflects the heritages, traditions, attitudes and beliefs of the artist

12-1 Understand and apply knowledge of art history in oral and written discussions about selected works of art.

I Benchmark C: Explain the characteristics and content of culturally and historically representative artworks to demonstrate understanding of how visual art reflects historical issues, events and cultural traditions.

I D 10-5. Identify an artist, or work of art, of personal interest and write about the historical, social, cultural or political factors influencing the artist or the work.

Grading

Students will have one week from the original snow day to complete this assignment. Students will be graded on proper grammar, google doc format with a working hyperlink.

It includes at least three paragraphs of insightful summary using their own words. You will not be able to just google these responses, you must process the information, summarize and interpret your response well. What is the heritage and culture of the artist? How have they used, discussed or interpreted it in their work? How did they use the elements or art? What is your response to their work?
