

Music Blizzard Bag 2

Kindergarten-2nd Grade

Find something in your house that can be used as an instrument. Remember anything that has sound can be used as an instrument. Use your favorite song and play a steady beat on your instrument.

Identify the following about your instrument:

- 1- What is making a sound on your instrument?
- 2- What part of the instrument is vibrating?
- 3- What is another instrument that would be in the same family as your instrument? (Skins, piano, brass, strings, shakers, drums)
