

# ***Coshocton City Schools Board of Education Resolution***

**WHEREAS**, the Coshocton City Schools Board of Education believes that improvement of student achievement is the most significant task of the school district, we hereby affirm our intent and commitment to the improvement of student learning by:

- openly evaluating data on student achievement indicators,
- discussing processes that affect the instructional program,
- examining the impact of the district's course of study on learning,
- reviewing and revising district goals to focus on student progress, and
- striving to find methods to remove barriers to learning.

**FURTHERMORE**, this board commits to informing district staff, students, parents, and the community about student achievement in our schools and how our local data compares with common measurements in the state, nation, and in relation to other comparable school districts.

**NOW, THEREFORE, BE IT RESOLVED** by the Coshocton City Schools Board of Education that:

- Each student in our district is expected to participate in school for the ultimate purpose of academic scholarship.
- All employees of our public school shall devote their work toward ensuring and enhancing students' learning success.
- The superintendent will recommend and implement initiatives and expenditures that clearly support and advance student learning success.
- The board will devote meeting time to topics that directly support and enhance student learning success and the interest of our community.

**BE IT FURTHER RESOLVED** that this resolution is to be posted in each school, included in the student handbooks, published on the school district Web site, and in the annual district report/calendar.
