# Go Places Safely

You can visit many places with a computer.  
Show what you would like to see.

**I'd like to use a computer to visit...**

**Note To Families:** Today your children learned that the Internet could take them to many exciting places. They also learned that just as they are never without supervision while traveling in the real world, young children should never be without supervision in cyberspace.

# Color Your Keyboard

Use markers, crayons, or colored pencils to follow the directions listed below.

Color the keys you use...

- to find proper hand positioning on the keyboard RED.
- to perform different tasks when both are pressed GREEN STRIPED.
- to move the cursor around the page without erasing anything BLUE.
- to make capital letters while pressed GREEN.
- to make all other keys capital letters after pressing it once YELLOW.
- to return the cursor to the beginning of the next line RED STRIPED.
- to type numbers PURPLE
- to indent a paragraph with one stroke GRAY.
- to cancel a command ORANGE STRIPED.
- to erase what you have typed PINK.
- to leave a blank space ORANGE.
